11/14/25 | Last Week | 1 Month Ago | 1 Year Ago

Today's sale started the day with complete dispersion offerings followed by bred cows calving March 1st to 20th majority Black and Black White face offerings bred to Black Angus bulls. Demand was good for all

Compared to last week: Steer calves 400-500 lbs 40.00 to 50.00 lower, 500-600 lbs 20.00 to 40.00 lower, 600-650 lbs 10.00 lower, 650-700 lbs steady to 2.00 lower. Heifer calves 15.00 to 30.00 lower, except those under 400 lbs mostly steady. Yearling feeder steers 10.00 to 15.00 lower, yearling feeder heifers not

ranchraised steer and heifer calves, carrying two rounds of vaccinations, coming right off the cow in a very

Compared to last week steer calves 400-700 lbs sold steady to 15.00 lower and heifers calves 400-550 lbs sold steady to 20.00 lower with their big sisters 550-650 lbs selling steady to 10.00 higher. Demand was

Compared to last week; slaughter and feeder cows traded mostly steady throughout the day with the

exception of a thin feeding cow trading 6.00 to 8.00 lower. Slaughter bulls traded fully steady. A nice run of

Compared to last week: Steer and heifer calves had limited comparisons, but trended lower 10.00-15.00. Feeder steers and heifers sold 10.00-12.00 lower. Slaughter cows and bulls sold 2.00-4.00 lower. Trade

Due to the New World screwworm, the border has been closed for livestock imports until further notice.

Compared to last week, a light test of feeders selling in small packages and singles were not well tested but overall sold with a lower undertone, with several in the offering unweaned or short weaned. Slaughter

Compared to last week Feeder Steers/Bulls 6.00 to 10.00 lower; Feeder Heifers 7.00 to 11.00 lower;

Slaughter cattle were steady this week compared to last week. Feeder cattle were 5.00 to 7.00 lower this week compared to last week. Demand was moderate; market activity and buyer interest were moderate.

Compared to last week: Steer and heifer calves not well tested last week to offer a comparison with this week. Yearling feeder steers and heifers 5.00 to 15.00 lower. Moderate to good demand for steer and heifer calves, overall quality was mixed but there were plenty of buyers on the seats wanting to buy these

Compared to last week: Feeder steers and heifers steady to 5.00 lower in a light test. Steer calves 5.00-10.00 lower. Steer calves started the day dollars lower and steadily improved throughout the day. Heifer calves unevenly steady. Today offerings included some really nice ranch raised calves that were weaned at steady money to last week. Buyers were being very selective for quality. Quality has ranged from plain

Compared to last week: Steers under 600 lbs 5.00-15.00 lower, instance to 25.00 lower; over 600 lbs not well tested last week, but a higher undertone noted. Heifers under 600 lbs 10.00 lower, except 400-500 lbs

5.00-10.00 higher; over 600 lbs 8.00-15.00 lower. Demand good with a few more buyers present than

Compared to last weeks sale; Steer calves 300-400 lbs sold steady-25.00 lower and 400-500 lbs were 25.00-30.00 higher while 500-600 lbs sold 2.00-10.00 higher. Premium was on weaned calves. Steer yearlings 600-750 lbs were 6.00-12.00 higher with few instances 3.00 lower. Heifer calves 300-400 lbs sold 25.00-35.00 higher and 400-450 lbs were 20.00 higher while 450-500 lbs sold 23.00 lower with 500-550 lbs being 2.00 higher and 550-600 lbs at 20.00 lower. Feeder heifers 600-650 lb sold 20.00 lower. Trade was higher on weaned calves with smaller numbers. Slaughter cows sold 6.00 higher with few 3.00

Compared to last week in uneven sales feeder steers sold 5.00-15.00 lower. Feeder heifers sold from 5.00 higher to 15.00 lower. Supply was heavy with moderate demand. Overall quality was considerably lower

Compared to last week, light test of 450-500 lb steer calves sold mostly steady, 500-650 lb steers traded

limited test from last week, near pot load weighing 843 lbs and pot load weighing 877 lbs sold near steady with last week. Heifer calves weighing 400-500 lbs on a light test sold steady with 500-600 lbs trading 10.00-15.00 higher and over 600 lbs were lightly tested. Demand was good on a moderate supply with overall quality running deep on steer calves weighing 500-650 lbs and heifer calves weighing 500-600 lbs

Compared to last week, Feeder Calves were uneven with Feeder Steers under 650 lbs. 4.00-15.00 lower, over 650 lbs. 5.00-12.00 higher; Feeder Bulls 4.00-15.00 higher with bulls weighing between 450-550 lbs. being 5.00-15.00 lower; Feeder Heifers steady to 10.00 higher with instances of 15.00 higher; Slaughter

No comparisons made this week on feeder cattle due to limited comparable sales, slaughter cows 2.00 lower, slaughter bulls steady. Moderate offerings of plain to average quality cattle with active buyer

Compared to last week: Feeder steers and feeder heifers sold 3.00 to 4.00 lower. Some instances of 5.00 to 6.00 lower. Plain quality feeders saw larger losses in some categories. Slaughter cows and bulls sold

Compared to last week: Yearling steers and heifers were too lightly tested develop any market trend. Steer

quality offering. Steer calves 500 lbs and heavier sold mostly steady to 5.00 lower. Heifer calves under 400 lbs were too lightly tested to develop an accurate market trend, however lower undertones were noticed.

calves under 400 lbs were too lightly tested to develop an accurate market trend, however lower

400-449 lbs sold mostly 10.00-15.00 lower, heifers over 450 lbs sold mostly steady to 10.00 lower.

undertones were noticed. 400-500 lbs sold 10.00-15.00 lower in a very narrow comparison on a lower

firm to 10.00 higher with three pot loads of 732-795 lb steers selling with a higher undertone on very

as quality was top and weighing conditions good as with most of the pot loads of yearling steers.

steers and heifers traded 3.00-5.00 lower with slaughter cows selling mostly 5.00-10.00 lower.

Santa Teresa Livestock Auction (Imported Mexican Cattle) - Santa Teresa NM

well compared to last week's limited offering of heifers. A very large offering of very high quality,

light and highly desirable light flesh condition. The weighing condition was attractive as well.

moderate to good from the buyers in the crowd with internet activity noticed.
